

BRIGHTPATH — INTERACTIVE EXCEL & BI DASHBOARD

HR & People Analytics Dashboard

The people numbers your leadership keeps asking for.[Explore it live](#) data.vexloft.com/hr

Headcount, attrition, hiring — it's usually scattered across three tools and a manager's memory. This dashboard brings BrightPath's people data together: who's on each team, where attrition is climbing, how the hiring pipeline is flowing, and how long people actually stay. HR gets answers in seconds instead of rebuilding a report every board cycle.

Live interactive dashboard — filter, drill down, then open the real Excel file behind it.
